CLASSICTM
Siding

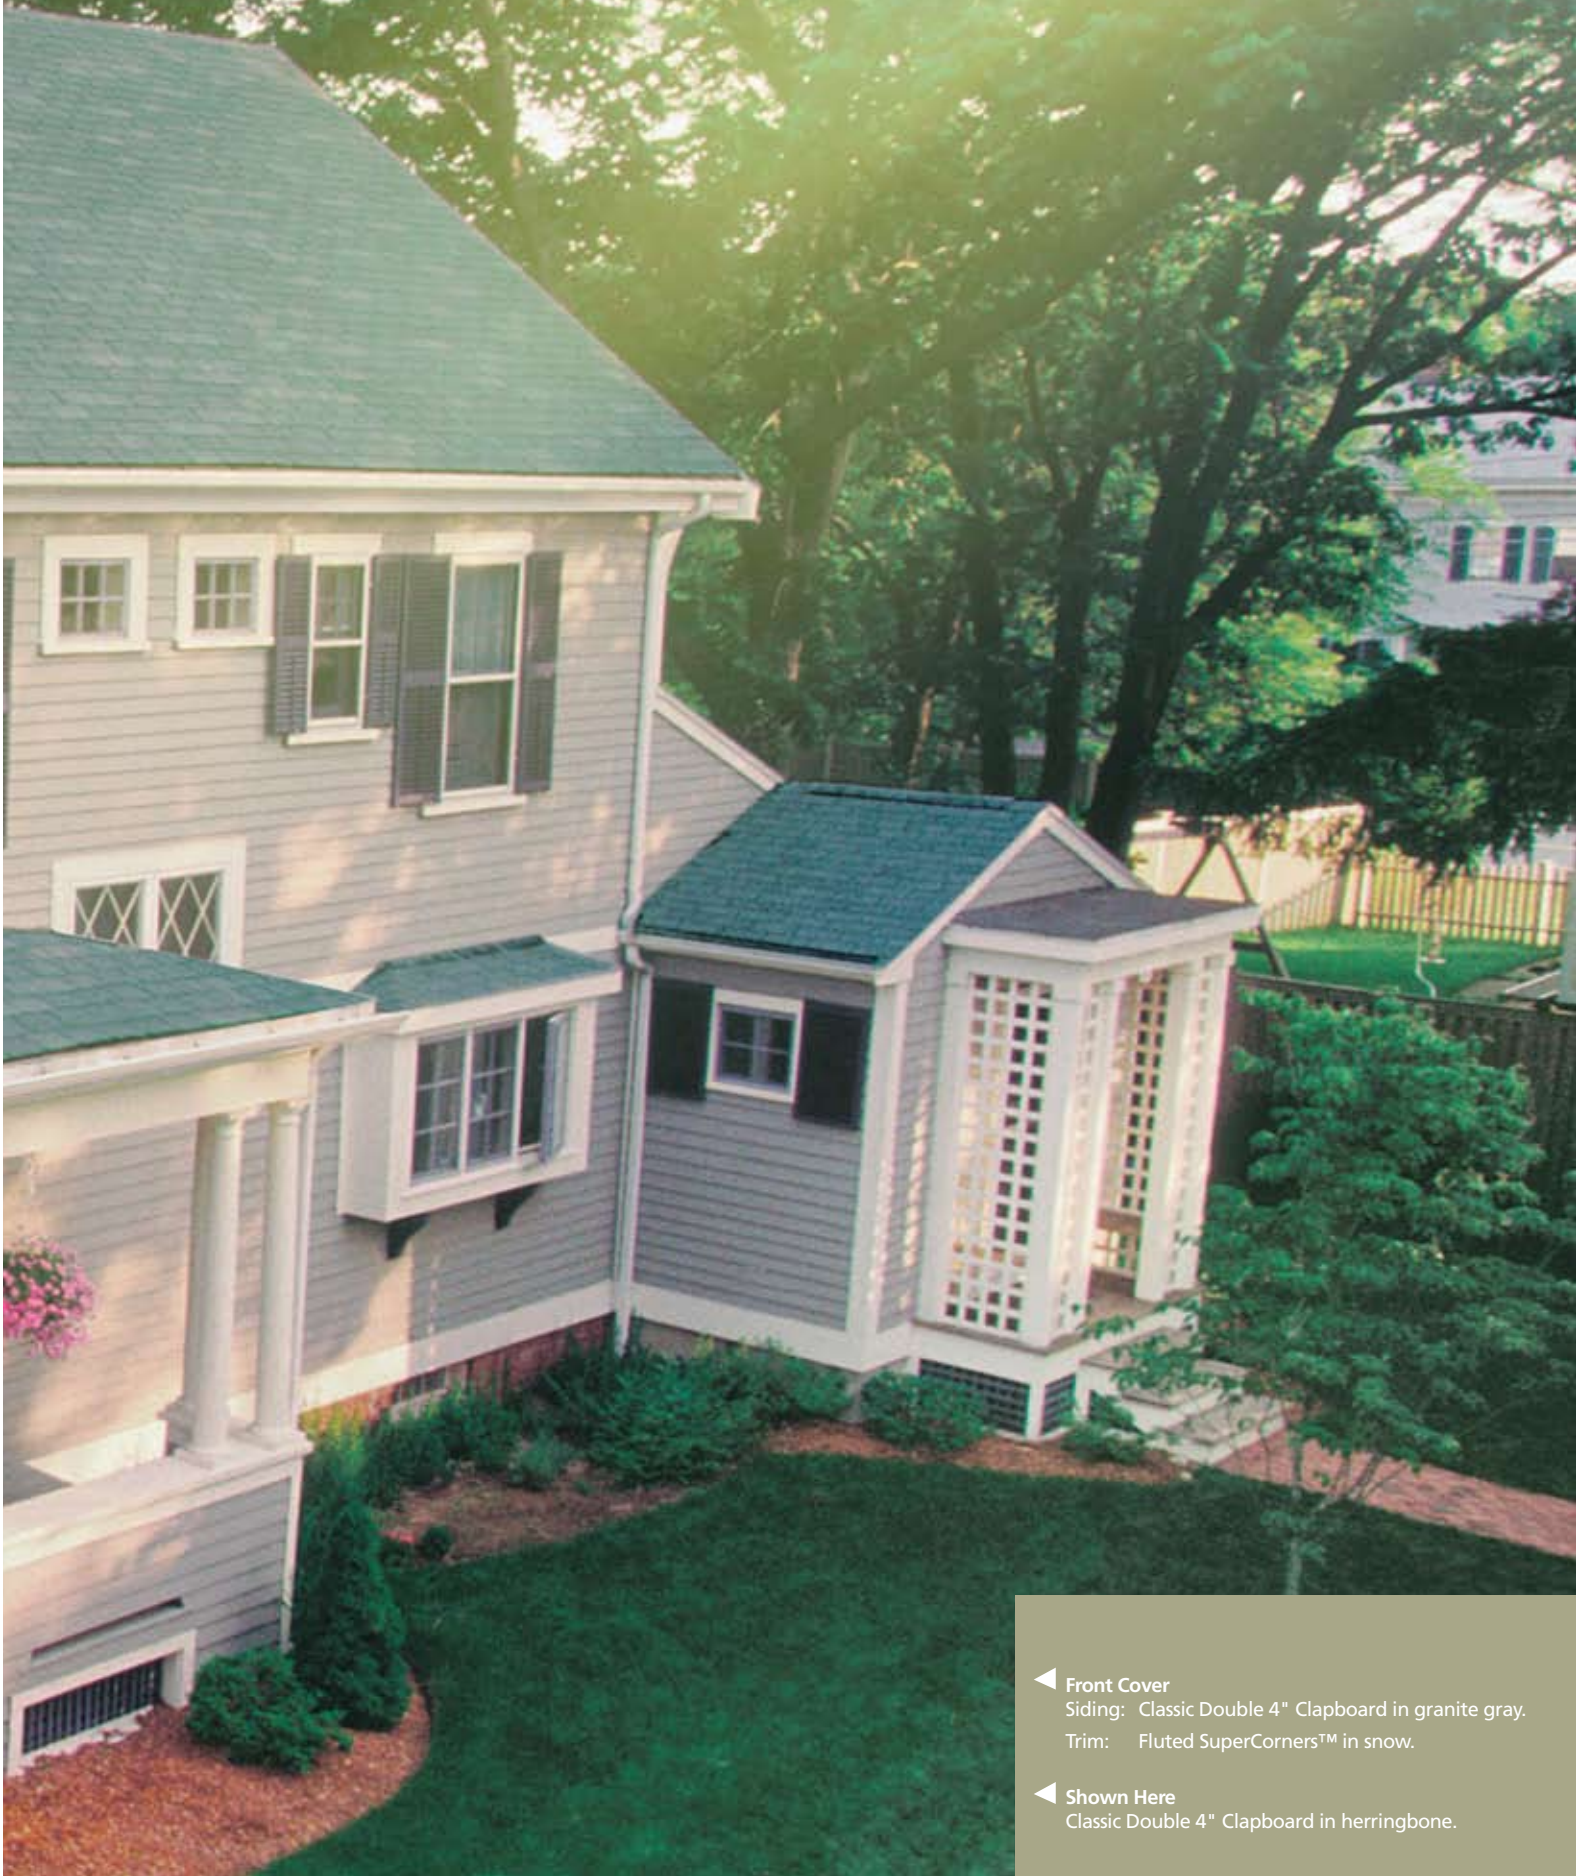

CertainTeed 
Quality made certain. Satisfaction guaranteed.TM

**Classic™ provides the premium features
that make it a great choice for both
remodeling and new construction.**

**BEAUTY,
PERFORMANCE
AND DURABILITY**

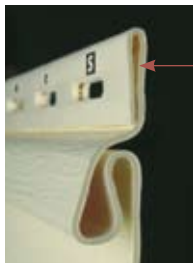

CLASSIC™

◀ **Front Cover**
Siding: Classic Double 4" Clapboard in granite gray.
Trim: Fluted SuperCorners™ in snow.

◀ **Shown Here**
Classic Double 4" Clapboard in herringbone.

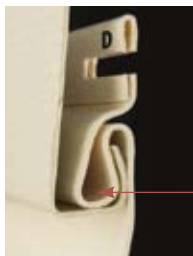

FEATURES

RigidForm™ Technology

RigidForm 180 (rolled-over nail hem) technology stiffens siding for a straighter-on-the-wall appearance and has been tested* to withstand wind load pressures up to 180 mph.

* Wind load rating per VSI wind speed calculation guidelines.

DuraLock™ features an oversized rigid tear-drop shape which is substantially larger than many competitors' locks, providing secure installation.

Double 5" Clapboard in desert tan

Trim: Colonial white

The STUDfinder™ Installation System

STUDfinder combines precisely spaced nail slots with indicator letters, designed for accurate and secure installation.

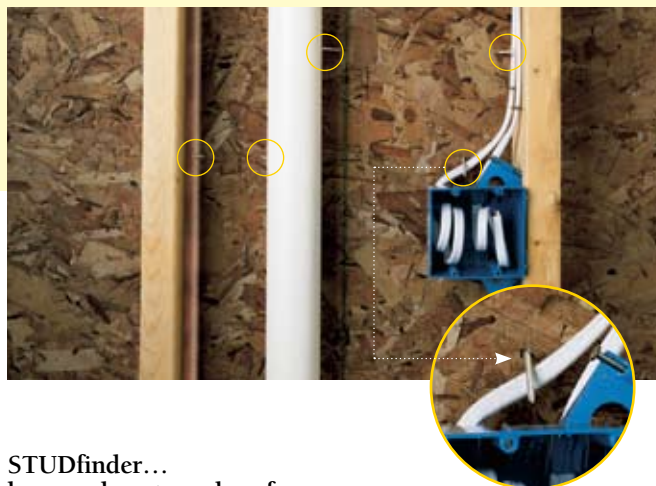

STUDfinder for Accuracy

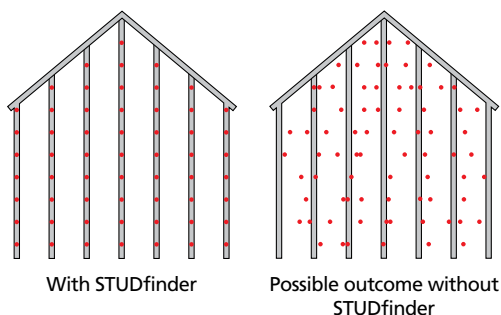

- Nail slots align with 16" on-center standards for stud spacing.
- Indicator letters help:
 - Determine location of studs
 - Ensure nails are positioned correctly
 - Ensure correct number of nails are used

STUDfinder for Security and Performance

- Nailing to studs provides a strong and secure connection.
- Protects against blow offs from under nailing.
- Protects against buckling from over nailing.
- Helps avoid nailing into hazardous items between studs like plumbing or wiring.

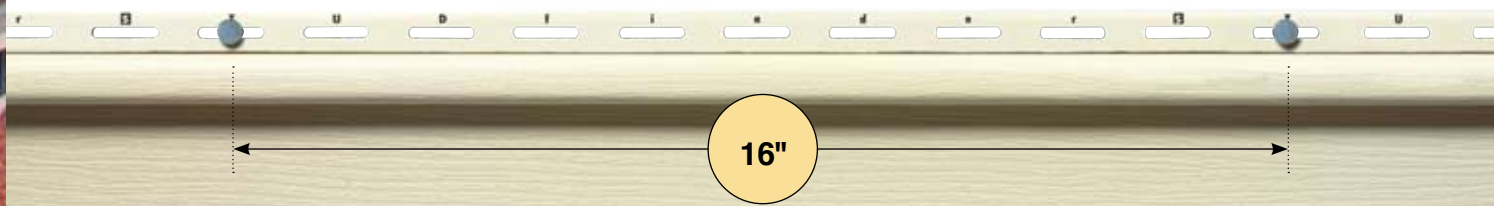

STUDfinder... because beauty and performance start with a quality installation.

With STUDfinder
